

Scavenger hunt

Working with a partner, find all of the following items, take photo evidence and present them in an interesting way on your iPad. Make sure that each image has a caption to identify its criteria.

- Something smaller than your fingernail
- Something alive
- Something dead
- Something soft
- Something rough
- Something that could only just fit exactly into your schoolbag
- Something that you could not fit into your car
- Something exactly 20cm long
- A tree that has a circumference bigger than one metre
- Something under something else
- Something between two things that are the same
- Something that has been damaged
- Something that show evidence of an animal
- Something that makes a noise
- Something that has rotational symmetry
- Something that is beautiful
- Something that you don't like
- Something smelly
